## Look What We Are Doing This Month...

- Social Science/Emotional: learnign about the first Thanksgiving and what we celebrate on this holiday
  - Shape and Color Recognition
  - Math: Counting
  - Language Arts: respond to simple questions about our reading material, predict what will happen next, child dictation, name recognition, recognizing characters in the story, recognizing the letters in our first names
  - Fine Motor: cutting with scissors, coloring, stringing noodles, painting, tracing our names
- Please feel free to contact us if you have any questions!  
Love, Mrs. Javier and Mrs. Carlson

## Don't Forget...

- Pack clothing appropriate for the changing temperatures for our outside play time

We are off for Thanksgiving week. Enjoy the holiday with your family

See you at conferences
