## Look What We Are Doing This Month...

- Science: making fake snow, making melted snowman slime, studying arctic animals and their habitats, talking about winter weather and temperatures
- Fine Motor: coloring, cutting, puzzles, measuring
- Math: counting, color matching, shapes
- Reading: sequencing a Jan Brett mitten story, talking about characters, spelling your name
- Social: sharing, taking turns, finding a partner who has your match
- Gross motor: balloon play, outdoor play, sledding, parachute
- 
- 
- 
- 

## Don't Forget...

- Remember to pack winter clothing
- Wear white on January 10
- School resumes on January 8 for our class
