		Please send a family photo we can use that is 4x6 or smaller, by September 9th. * During the school year, talk to your child about words that start with the letter of the week. We will look for words that begin with the current letter of the week in class. Optional alphabet and/or number practice pages will be sent home weekly to provide additional kindergarten prep for the students. These sheets may be returned to us to receive a sticker. * If you choose to send in a take home prize for your child to distribute for their birthday, we have 15 students in our class. Just a reminder, due to allergy considerations birthday prizes cannot be food items. *Picture day is September 25th. More information will follow regarding picture day. You will be able to select your choice of photos from several taken. Feel free to call or email us at
