PHILOSOPHY

The Philosophy of the Cary Methodist Preschool is to provide children with a Christian environment that is developmentally appropriate and focuses on the whole child, emphasizing socialization and learning through interaction with his/her environment. Our curriculum incorporates a variety of learning activities based on the Illinois Early Learning Standards.

HISTORY

Cary Methodist Preschool was founded in 1973. In 1974 it became an Illinois state certified preschool facility. Since that time the program has grown and changed to meet the needs of the families we serve.
