## Happy New Year

## January 2021

Welcome back and happy 2021! We hope you enjoyed your Christmas, sharing lots of family time with your precious children. We were very happy to have had such a great turnout at our meet the teachers visit last month. It felt wonderful being able to connect with all of our families again. Remember as we start school to be mindful of your children's/family's health before sending them to school. We will be working with you to keep our school as safe as possible for everyone. To expedite the drop off time for the children, please make certain to have your COVID forms filled out for each of your children before you get to school. Believe it or not, it is time to start thinking about registering for the 2021-2022 school year! Soon you will be receiving information about registration for next year at Cary Methodist Preschool. For some of you with 4 and 5 year olds, it is also time to register your child for kindergarten. We have listed local school district information below. If you have any questions, please call your local school district's administration office.
