Welcome to a New School Year! September 2017

Welcome everyone to Cary Methodist Preschool! We are so excited to begin a new school year. It is always so much fun to see our returning students and how much they have grown and also, to meet our new students and welcome them to our preschool family.

We are very blessed here at CMP with kind, loving, and experienced teachers. Each one of them is dedicated to our preschool and the importance of early childhood education. They all work very hard planning and preparing the classrooms each week to make your child's preschool experience an enriching and a positive one.

It is very important that our families feel at home and comfortable at CMP. Please feel free to contact us at any time in person, by email, or by phone if you have any questions. We look forward to a wonderful and positive 2017-2018 school year here at Cary Methodist Preschool.

You will either be contacted by us or a Board Member who will let you know where your help will be needed throughout the year.
